Carrara

DESIGNED FOR HEALTHCARE

The Carrara collection was designed for use throughout any hospital. The chair frames look like wood, but are actually made from a ground-breaking, solid surface (1/8" thick), high-impact-resistant polymer which means they don't have any of the drawbacks of wood. The frames are moisture impervious and can be cleaned for at least 10 years using any of the EPA-registered antimicrobial products effective against *C. diff.* (even 100% bleach), without diminishing the chair surface's integrity or appearance.

BUILT FOR INFECTION PREVENTION

On the patient's road to recovery and sustained good health, cleanliness is critical. Combining appropriate furniture materials with the correct cleaning products and protocols ensures effective surface disinfection, reducing the risk of cross-transmission of HAIs. Carrara is built for infection prevention with a frame that does not support microbial growth. The chair can also withstand the harshest daily cleaning regimens, including bleach, without degrading its finish and appearance. Kwalu's Carrara collection provides one missing piece of the puzzle in infection prevention, contributing to the goal of eliminating deadly pathogens before they can come into contact with healthcare workers, patients and guests.

Nightingale Innovation Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Materials.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.

10 Year Warranty

We offer a 10 Year Performance Warranty on both construction and finish, so the product is guaranteed to stay looking like new for 10 years.

Carrara Lounge

The Carrara Lounge Collection is as comfortable as it looks. The simple yet elegant design is epitomized by crisp contours and abundant cushioning. This inviting collection includes a single chair, sofa and love seat. Optional arm caps protect the fabric and allow ease of cleaning.

LOUNGE CHAIR

Carrara Sleepover Recliner / Motorized Recliner

Carrara Sleepover Recliner fully reclines and locks into multiple recline positions. An outside lever engages the chair's independent foot rest while a recessed release latch initiates the reclining motion. Standard features include arm caps, a stationary head rest pillow and heavy duty locking and non-locking casters.

SLEEPOVER RECLINER

Effortless reclining is enabled by the touch of a button on the inside of the right arm of the **Carrara Motorized Sleepover Recliner**. This recliner is functional with or without a rechargeable battery. A battery pack storage compartment is added to the recliner if the optional battery pack is purchased. Standard features include a stationary head rest pillow, heavy duty locking and non-locking casters and a power cord. Also standard are solid arm caps to provide protection of the fabric.

MOTORIZED SLEEPOVER RECLINER

Carrara Sleepover Recliner / Motorized Recliner

Features

Durable Finish

Kwalu's solid surface proprietary finish doesn't have any of the drawbacks of wood. The finish is moisture impervious, easy to clean and maintenance-free.

Extended Length

Fully reclines to a depth of 75 inches.

Casters

Heavy duty locking casters on rear and front non-locking casters are standard.

Smooth Reclining

Outside lever engages independent footrest; recessed release latch initiates multiple smooth reclining positions. (Non-Motorized only)

Back Style

Superior cushioning for the ultimate comfort; a stationary head rest pillow is standard.

4 Button Control

Press the control buttons on the inside right of the chair to initiate recline and raise and lower the footrest independently. (Motorized only)

Kwalu Arm Caps

Kwalu high-impact resistant solid surface arm caps are a standard feature.

Optional Upholstered Arms

The recliner is available with upholstered arms and this feature is optional. (Motorized only)
